CHAIR'S CORNER

AA Needs You to Take the Leap

by Jim M., Intergroup Chair

Every two years, we elect new leadership for Nassau Intergroup. This is always a "leap of faith" in two distinct ways -- as an organization, and for the individuals who stand for office.

As an organization, we made decisions a few years back to clean up some financial wreckage regarding our non-profit status with the IRS and our role as a vendor (literature sales) in New York State. The mistakes of our past came at a dear price -- over \$30,000 all together -- and while we believed we were doing the right thing in regard to our past, we had our share of doubts about the future. By paying these penalties, we diminished our financial security. We would need to rely on the AA groups and members of Nassau County to re-fill our prudent reserve.

It was a leap of faith that landed us on solid ground: not only were we financial stable again soon after, but we've also found ourselves recently discussing how to put surplus funds to use in carrying the AA message! AA support, in the form of dollars, have flowed in just as we had hoped.

There was another leap at the organizational level that Intergroup's leadership had to acknowledge: if we established ourselves as a bona-fide, non-profit organization, would we be able to maintain that status? The road ahead would involve meeting deadlines, filing returns, collecting

and remitting sales tax, and keeping pristine records. To do these things consistently, we would need two things: (1) clear policies and procedures to guide our operations, and (2) a steady stream of reliable people to continue the work we'd set in motion.

The first need was met with the adoption of our [Fiscal Management Workbook](#) this past winter. But what about that second need -- the need for a steady stream of trusted servants? Would AA members step up? Would our fellowship accept the serious responsibility of acting like grown-ups and operating our local service center according to local, state and federal laws? Our current slate of trusted servants has been faithful in discharging these duties, but the time is nearing for us to rotate from our positions. So in September, we'll invite members to stand for the following positions: chair, 1st vice chair, 2nd vice chair, treasurer, and secretary.

Which brings us to the biggest leap of faith: the individual decision to stand for office. It's a daunting thing to commit to two years of service, to agree to attend the Steering Committee meeting and the Reps meeting each month. To take on a service position that will require humility, love, and a willingness to learn. A spirit of ["self-sacrifice and unselfish, constructive action"](#) is needed, along with a willingness to participate by playing a ["small part of a great whole."](#)

Many of us were once consumed by selfishness and self-centeredness,

unable to see beyond our own desires for pleasure or reward. Thankfully, many of us have been set free of such misery, and been given the opportunity to contribute without thought of return. If you're one of these folks, please contact me to discuss how a Higher Power might put you to use serving the AA groups and members of Nassau County.

Join us on the broad highway, as we rocket into the fourth dimension!

DISTRICT COMMITTEE MEMBER CHAIR'S DESK

What is the role of a GSR from the home group to the county? And the role of the GSR in AA's service structure? An active GSR is perhaps the most important role in AA. If your group doesn't have a GSR already, consider bringing it up at your next business meeting. An active GSR is the link between an informed group conscience and AA as a whole. It is through the GSR that each

group has a voice and a vote in larger AA matters. This connection helps keep AA unified both in a practical sense and spiritually. Active GSR's return to their homegroups with the results of problems and solutions that could affect the unity, health, and growth of AA. We would not last long as a fellowship if it weren't for the service of GSRs.

LITERATURE CHAIR'S CORNER

ANNOUNCING A NEW BOOK FROM GRAPEVINE!

Fun in Sobriety features 50-plus inspiring stories by members of Alcoholics Anonymous about the many ways they've learned to have a good time after putting down the drink.

Chapters include travel, outdoor activities, arts & hobbies, social entertainment, fun-filled AA activities and sober events. The stories were previously published in Grapevine, the International Journal of Alcoholics Anonymous.

Fun in Sobriety is full of passion and humor; this book shows how, by working the program and developing a sober network, life can begin to take on new, exciting adventures.

There continues to be a shortage of literature at World Services which is causing a backorder of supplies. So, if there is any need for literature, please phone ahead to assure we have what you need in stock!

Any literature requests can be obtained via email at literature@nassauny-aa.org

or in person at the office between 9 a.m. and 5 p.m.. Just please phone ahead at 516-292-3040 to assure someone is at the office as there are some days where volunteers are answering the phones virtually. If you have a special literature request, arrangements can be made for someone to

meet you at the office.

ARCHIVES CHAIR'S CORNER

Every 5 years since 1950 July brings the International AA convention, held either in the USA or Canada. Covid 19 put the hammer down in 2020 on the one that was planned for Detroit. Everything was canceled except for some minimal virtual activities. I've been so fortunate to have been to 7 of these amazing events, beginning in 1985 at AA's 50th Birthday in Montreal. At the last one I attended in 2015, I had the privilege of escorting Liz B. to Atlanta along with my good friend Denis O.

They are both gone now, but the memories remain. Liz and I share a common anniversary 7/11. She left her physical body at 100, and just shy by 2 months of 70 years of sobriety. Her

legacy is part of Nassau's AA history. The same applies to my friend Denis who did more service inside and beyond AA than most will ever do. In 2025 if you have the opportunity to go to Vancouver for AA's 90th birthday, do it. I have a friend from Ireland I get to see every Convention. When he returns home, he begins saving for the next 5 years. It's way more expensive for Europeans to attend. You can begin saving too. 2025 is only 3 years away! AA is worth the investment.
