IMPORTANT DATES

The Journey to the 75th General Service Conference - April 27-May 3, 2025.

November 2024: Preliminary Agenda Items were released!

December 2024: Committee Assignments were distributed! Each delegate is assigned to a committee for the Conference. Our Delegate will be working with the Trustees' Committee, helping review nominations for: 2 Class A Trustees, 2 Regional Trustees (East Central, Southeast), 1 Trustee-at-Large (U.S.), 3 General Service Trustees, 3 Non-Trustee Directors (2 for AAWS, 1 for Grapevine)

February 2025: Around the end of February, following the General Service Board meeting, the final agenda items and background information will be released. The Delegate will post the final agenda items. When the final agenda items are released, the delegate will create the Delegate's Questionnaire which will be 7-10 items from the final agenda list. You will bring the Questionnaire back to your group for discussion on the agenda items and submit your group conscience by April 12th 2025

Why the Questionnaire Matters: Your group's feedback helps the delegate carry your collective voice to the Conference. Your collective conscience is the heart of A.A.'s decision-making process!

March 8, 2025: Delegate's Day of Sharing (Westchester Community College, hybrid)

This is a day dedicated to delving into the agenda items from the questionnaire. Presenters will provide background information, and GSRs will have the opportunity to ask questions before meeting with their groups to complete the questionnaire. Printed copies of the Delegate's Questionnaire will be available in both English and Spanish.

April 12, 2025: Pre-Conference Assembly: GSRs will have the opportunity to share experiences and discussions from the questionnaire. The questionnaire is due on this day.
