for **fellowship**, **gratitude** and **thanks** for what that building has given to literally thousands of friends and neighbors over the years as a home for our many meetings.

We are looking for people to share their experiences over the years specifically at 474, and maybe some miracles that have happened along the way. Many Trusted Servants have had a great impact on us here, some departed and some still with us. **Let us celebrate them too!**

If you are interested in being a speaker for that celebration, please contact one of the people below.

MORE DETAILS TO FOLLOW AS WE GET CLOSER TO THAT DATE.
